

	AMADA COLOSSOS RESORT HOTEL	
	DOCUMENT REF: EP	NO. / ISSUED ON: 1/20.5.2024
	ENVIRONMENTAL POLICY	

Rhodes, 20 May 2024

In its path to sustainable development and aiming to minimize the negative impact of its activities on the environment, the Management of COLOSSOS S.A. (the Company), owner and manager of Amada Colossos 5* Resort (the Hotel), has developed and applies an Environmental Management System.

By applying an Environmental Management System in the Hotel, the Company is committed to environmental protection, including the prevention of pollution, the sustainable use of resources, the reduction of GHG emissions and the adaptation to climate change, as well as the protection of biodiversity and ecosystems.

To fulfil the above commitments, the Company sets targets, monitors progress to those targets and reviews them as necessary. The Company is committed to systematically identify, continuously evaluate and control the environmental impacts arising from the Hotel's activities, including guests, external providers and other stakeholders.

In addition, the Company is committed to meeting applicable legislative and regulatory requirements and requirements mutually agreed with guests related to environmental protection.

To ensure continuous improvement of the applied environmental management system and continuous improvement of the Hotel's environmental performance, ongoing education, training and motivation of our staff on environmental management issues is key, as well as timely internal and external communication in case of any problem.

The Company is committed to taking all necessary measures to apply the environmental management policy, and to fully apply, review, rectify and continuously improve the system.

Application of the Environmental Management Policy is mandatory not only for all staff but also for suppliers and partners, who have been informed about it and have accepted it.

This policy is freely available to all interested parties.

The policy shall be reviewed annually to ensure continuing relevance.

Yours truly,

Sakellarios Soulounias
CEO
